

Come scegliere la cartellina giusta

Esistono molte soluzioni dalle manuali alle automatizzabili.

Per la produzione industriale normalmente si tiene conto delle seguenti.

01. Cartella con due bandelle

02. Cartella con tasca incollata

03. Cartella con due bandelle ampie

04. Cartella con ampie bandelle sui quattro lati

05. Cartella con due bandelle su entrambe le facciate

06. Cartella con due tasche incollate e linguetta di chiusura

07. Cartella con tasca incollata e raccoglitore di fogli sfusi al centro

08. Cartella con asole appendi-biro e bandelle ampie

09. Cartella con asole appendi-biro, tasca incollata e blocco note incollato in testa
